ARTISAN ITALIAN

This list is a celebration of Italian wine, dedicated to generations of artisan winemakers engaging in both old and new techniques. These wine makers are committed to using a more sustainable and natural approach. At Scarpetta, we highlight local producers from the Friuli - Venezia Giulia region and Alto Adige, amongst others, featuring highly regarded historic wine producers such as Cantina Terlano and Christian Patat from Fondo Indizeno. For ease, our wine list is arranged from lighter to richer styles. A member of our team would be delighted to help you make a selection.
